## WELCOME TO THE DUI DOG RALLY & DEMO TOUR 2011!

We are thrilled to have you join us! Whether this is your first time to try a drysuit, have been around drysuits before or a DOG (DUI Owners Group), you will have a GREAT TIME! For the second year in a row, we are excited to partner with Backscatter U/W Photo and Video. In addition to the drysuit demos, they will offer camera demos, photography seminars, a photo shootout AND a film festival on Saturday night! Don't miss it! See [www.montereyshootout.com](http://www.montereyshootout.com) for more information. **Due to the high demand for this event, tickets will ONLY be available in advance from your participating DUI dealer or online via DUI's website. Some tickets may be available onsite if we have some no-shows. Thanks for your understanding!**

## THINGS TO BRING

- Diver Certification Card
- Credit Card or Drivers License
- Swimsuit or Lightweight Clothing (to wear underneath the divewear insulation - not cotton)
- Regulator
- Mask & Snorkel
- Open Heel Fins
- BC
- Weights
- Tank (s)
- A very small towel to dry your damp hair ☺

All divers must fill out liability and rental forms for DUI prior to the event. If you would like complete the DUI Rental Form and Liability Release Form in advance, they are available at [www.DUI-Online.com/dog\\_forms.html](http://www.DUI-Online.com/dog_forms.html).

## WHAT TO EXPECT

When you arrive, check in at the registration table and present your certification card and driver's license or credit card. We'll fit your regulator with a drysuit hose then you will set up your tank, BC, regulator and weights so your dive equipment is ready to go.

Then it's off to each station where the DUI Crew will fit you with ZipSeals, DiveWear Insulation, DUI Drysuit, RockBoots and more. We have DUI Weight & Trim Systems, Hoods, ZipGloves and even extra fins if yours don't fit.

At the water's edge, you will be assigned a guide who will show you the basics of how to use the drysuit and take you for a dive. You will stay above 40' and only do what you feel comfortable doing. After returning the equipment, have some lunch then do it again! The more dives you do in a drysuit, the more comfortable and confident you will be ... and the more fun you will have!

**NEW! SATURDAY EVENING FILM FESTIVAL AT 7:30PM** This year, Backscatter is planning special activities throughout the weekend to highlight local diving and underwater photography. In addition to the camera demos they will offer all weekend, they are offering a photo shootout and film festival. The film festival is open to all and costs only \$5! We do expect it to sell out so please register early at [www.montereyshootout.com](http://www.montereyshootout.com). Please plan on attending!
